01

PROFESSIONAL PROFILE

This is JUJJURI ROHITHA I'm a student at ALIET i.e Andhra Loyola institute of engineering and technology that is.. I'm studying engineering.. & my course IT- Information technology Btech & at present Btech 3rd year I want to graduate with high level skills it is neither technical or non technical mostly preferred non technical vacancies because of my passion I need to become a fashion designer on the way of managing these I need to lead my education too.. To become an independent achiever

02
