PROFILE

Motivated and detail-oriented Front-End Developer with a strong foundation in HTML, CSS, and JavaScript. Completed one year of hands-on learning and practical experience through internships and personal projects. Passionate about designing responsive and user-friendly websites. Demonstrated ability to solve problems, adapt to new technologies, and collaborate effectively in team environments. Seeking an entry-level front-end development role to contribute technical skills and grow professionally.

INTERNSHIP

Web Development Intern - Prodigy Infotech | June 2024

- Completed an online internship during my second year of B.Tech.
- Gained hands-on experience by completing five development tasks.
- Learned the fundamentals of front-end development and project workflows.
- Enhanced problem-solving and coding skills through real-time tasks.
- Bridged the gap between academic learning and practical application.
